Breeding will sell under terms expressed in stallion owner's current year service contract, except when in contradiction with that of NSBA. In that case, NSBA contract will take precedence.

WITNESSETH:

In consideration of one dollar and other good and valuable consideration, we the owners of the stallion recorded above, sell, transfer, and assign to NSBA, a Breeding Service for the year 20\_\_\_\_, to the above named stallion. It is expressly understood by all parties to this agreement that this Breeding Service is assignable only by NSBA, pursuant to the terms and conditions of its Stallion Incentive Program for the year in which said breeding applies, said terms and conditions being incorporated herein by direct reference thereto. All parties to this agreement are further bound and agree to all of the following terms and conditions:

1. That the breeding season in force for this contract begins February 1, and closes July 1, and mare owners shall be entitled to one return privilege in the following year for the same mare, if said mare does not produce a live foal that stands and sucks in the year following the first breeding pursuant to this contract, or in the event of the death, or vet-certified breeding unsoundness of said mare, a substitute approved by stallion owner may be bred.

2. That should the above named stallion die or become unfit for breeding purposes and said mare has not been serviced by said stallion, then any monies paid by mare owner to NSBA shall, upon proper verification of the above named stallion owner, be given credit to purchase another stallion fee in the succeeding NSBA Stallion Service Sale. If credit balance remains, credit will be issued for the balance the second year.

3. The mare shall be in a healthy and sound breeding condition and a veterinarian certificate shall accompany all dry mares. Failure to furnish this certificate will be authorization to have the mare examined by a veterinarian at the mare owner's expense. The mare owner hereby gives permission to have the mare treated by a licensed veterinarian and have normal veterinarian services performed for anything which might insure the mare's well being, including as many pregnancy examinations as deemed necessary by the veterinarian.

4. Mare, in order to qualify for this breeding service, must be halter broken.

5. The stallion owner agrees to diligently try to settle the mare. If, however she does not settle the stallion owner nor attending veterinarian will be held responsible.

6. A Breeder's Certificate shall be furnished mare owner upon payment in full of all board and veterinarian expenses owed and birth of live foal.

7. Breeding will sell under the conditions as set forth in the NSBA Stallion Incentive Program nomination form completed by stallion owner or agent, which is outlined below in #8. NSBA acts only as agent in this sale and will not be responsible for accident, sickness, or death to any stallion, mare and/or foal. Stallion owner and Mare owner hold NSBA harmless in the event of a published error of these fees. This contract will supersede and Mare owner's submission of fee to the NSBA is acceptance of these terms.

8. The advertised breeding fee for this stallion for 20\_\_\_\_, is \$\_\_\_\_\_ or \_\_\_ Private Treaty.

Mare owner is responsible for the following fees as applicable:

Chute Fee \$\_\_\_\_\_ Mare Care \$\_\_\_\_\_ day/dry \$\_\_\_\_\_ day/wet

Shipped semen fees: Collection fee \$\_\_\_\_\_ Container deposit: \$\_\_\_\_\_ Shipping fee \$\_\_\_\_\_

Other: \_\_\_\_\_

9. Upon sale of Stallion Service, no later than May 15th of current program year, Stallion owner is entitled to a free entry in any/all NSBA Stallion Incentive Program classes in the current year, for a licensed foal of that stallion whose age qualifies for one of the class categories. Stallion Owner is subject only to \$10 -\$15 administration fee to be paid to corresponding show committee upon entry.

10. The successful purchaser of the breeding hereby consents to NSBA affixing their name to this contract and by presentation of a mare pursuant to a stallion service which is sold through this program the mare owner agrees to all terms and conditions herein.

11. When the stallion service is sold, the stallion owner will receive one (1) copy with the name of the mare owner inserted and the mare owner will receive one (1) copy. Mare owner acknowledges that delivery of mare for breeding constitutes in and of itself acceptance of all the terms and conditions of this agreement.

\_\_\_\_\_ Please offer the stallion's services for a minimum of ½ the breeding fee (minimum \$300) plus \$100. (Fee for horses standing at private treaty or not to public is \$600 plus \$100.)

\_\_\_\_\_ I request that the stallion's breeding be listed as reserved. I will collect and forward the fees from the buyer to the NSBA office by the May deadline.

\_\_\_\_\_ Please continue this stallion's enrollment in the NSBA Stallion Incentive Fund for subsequent years. I understand that I will receive a new contract to complete each year with updated information, but this horse will remain enrolled until the NSBA is notified in writing of its withdrawal from the program.

\_\_\_\_\_ I will re-nominate this horse each year. Do not include it as a nominated sire for next year until notified by me to do so.
