

The fees listed below are the fees to purchase a breeding through the NSBA. The chute fee (if any) is paid directly to the stallion owner/agent. A \$0 means NSBA does not have information from the stallion owner / agent. Please direct questions regarding additional fees to the NSBA office or stallion owner/agent.

The fees listed below are the fees to purchase a breeding through the NSBA. The chute fee (if any) is paid directly to the stallion owner/agent. A \$0 means NSBA does not have information from the stallion owner / agent. Please direct questions regarding additional fees to the NSBA office or stallion owner/agent.

The fees listed below are the fees to purchase a breeding through the NSBA. The chute fee (if any) is paid directly to the stallion owner/agent. A \$0 means NSBA does not have information from the stallion owner / agent. Please direct questions regarding additional fees to the NSBA office or stallion owner/agent.
